

Jessica Melton

Sports Academy Softball Instructor

Hometown:

Selma, AL

High School:

Dallas County High

Positions:

Pitcher & Outfielder

Junior College:

Gordon College

College:

Auburn University

Throughout high school I worked at the Selma YMCA Camp as a counselor and lifeguard. This is where I discovered my love to work with and mentor children. I also worked with young girls to improve their softball skills at Four Seams, a hitting/pitching clinic in Selma.

I also gave fast pitch lessons.

I played two years of softball at Gordon junior college in Barnesville, GA with the Lady Highlanders. I also served on the Gordon College Student Government Association as Senator and I worked in Residence Life as a Resident Assistant. I graduated from Gordon in 2008 with an associates degree in Criminal Justice. I now attend Auburn University, majoring in Political Science. I'm planning to attend law school at the University of Alabama or Georgia State.
